The Arizona Veterans Foundation presents "A Tribute to U.S. Special Operations"

Dear Friend,

The Arizona Veterans Foundation is presenting "A Tribute to U.S. Special Operations" which benefits several Special Operations Association charities and The Children First Academy for Homeless Children in both Phoenix and Tempe.

This fun filled afternoon benefit will be held at the Turf Paradise Racetrack on Saturday, November 20th and is sure to be an exciting event with tributes to our Veterans, our military, and their families.

Education is a basic American value and this tribute is a testimony to our heroes and to our values. This message will be broadcast throughout the day across 2,200 domestic outlets and 6 countries around the world.

Through the ages, our military and our veterans fought for many American values including education. They continue to fight for these values by providing assistance to our warriors and to the children of our fallen warriors and children who have fallen victim to homelessness.

This is your opportunity to join the fight and combat the ravages of despair, dependence, and ignorance. By providing homeless children with the opportunity for a positive and enriching learning experience, we give them the tools to achieve great things and to make a contribution to the future of our country and our community.

We invite you to join Arizona Veterans Foundation, the Special Operations Association, Turf Paradise Race Track, Starwood Hotels, Coca-Cola, ATOMdesign and others in bringing some of our warriors and homeless children to the "Winner's Circle" by sponsoring one of the nine horse races, by purchasing a VIP ticket for admission to the exclusive Turf Terrace Club VIP reception, or by participating in the silent and/or live auction events. Special Operations merchandise will be available throughout the day at the racetrack and will be available to the general public.

Please make a difference by making your tax deductible contribution to the Arizona Veterans Foundation (EIN: 20-3284784).
